

A Step-by-Step Guide to The Social Issues Collection™

Adding content from our library to your custom publishing project is easy!

Simply follow these steps:

Step 1: Go to our library –

Visit The Social Issues Collection website: www.socialissuescollection.com and click on the “Browse The Social Issues Collection” button.

Step 2: Browse content – See selections grouped by topic, author, or title. Or find just what you’re looking for by searching for keywords.

Step 3: Preview selections – View each watermarked selection prior to use, to make sure it’s what you need.

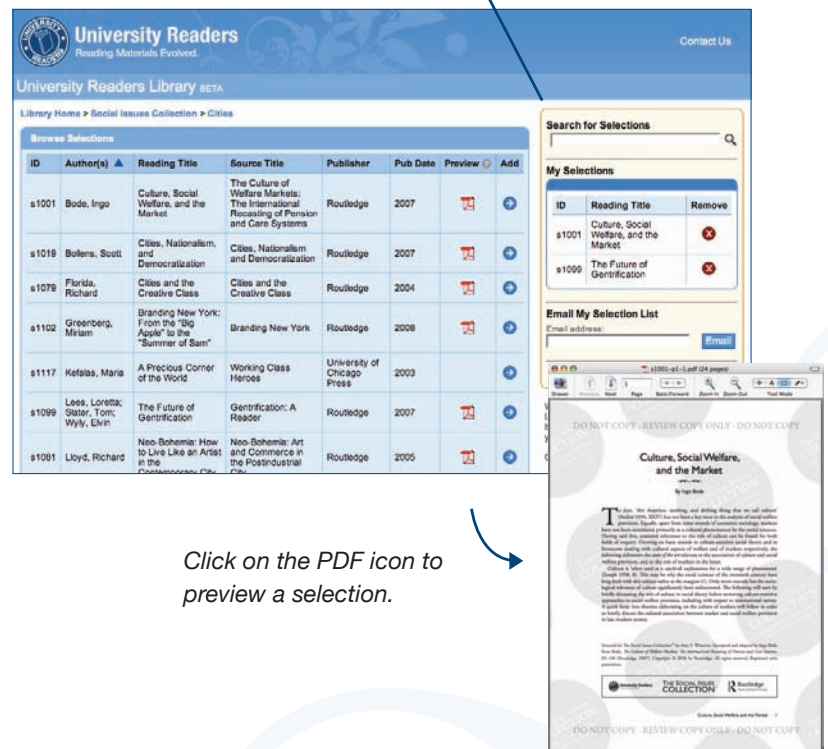

Step 4: Add selections – Email your list and place the selections into your upcoming project via our online order form: <http://library.universityreaders.com/order/form/>

Step 5: Finalize your order – Complete the order form and submit any other reading materials you may be providing yourself.

Sit back and relax!

In 2-4 weeks, we’ll clear the copyright permissions and produce your course materials with the highest-quality standards. Students order on our secure website and immediately receive their FREE 20% PDF. They can start reading right away, while their order ships directly to their doorstep.

Selections are organized by topic for easy browsing. You can also search for an author or title by entering keywords.

Click on the PDF icon to preview a selection.

Our order form shows your selections from the library. You can then add any other content you may be providing yourself, choose cover and binding options, and complete your order.
